

Homeopathic Imprinter Use with Homeopathic Remedies

Imprint into the Detox box

- Use muscle testing to determine which Homeopathic Remedies may work for you.
- Place the homeopathic remedy on the input plate, and one hand on the output plate.
- Actuate the start switch, making sure that one hand never leaves the input plate.
- Do this three times per day, but start off at once per day to avoid a Herxheimer reaction.

Also

- Usually best to reduce dietary intake of sugar and carbohydrates
- Wear a Detox box around the neck during the day. Imprint your Bioenergetic signature as well as Homeopathic Remedies into the detox box first.
